

Dear All, just a reminder for Monday when we will have a seasonal talk and demonstration from Janet Ince. Janet will be well known to most and her talks and skills in flower arranging are legendary. We hope to open the Hall nearer to 7:00 pm this meeting and try to start promptly at 7:30.

Janet has kindly offered to raffle her arrangements at the end of the evening which is especially kind as the proceeds will help our funds.

Previously we were going to ask you all to bring your own cup in order to share a festive drink however it seems that caution will keep us to a tea or coffee and a mince pie this time. So PLEASE bring your own cup!!

Staying within guidelines is the way forward and we do try to do that and keep out of the kitchen area. Ventilation is another objective so the back door will be one so do remember to have on enough clothes to keep out and draughts and chills. This will be the last meeting albeit only the second of the season but we do hope to have more activity after Christmas and into the new year starting in February with a rather delayed AGM to cover the last 2 missed years. we look forward to welcoming you on Monday night and please bring friends and relatives with you.

All good wishes,

Stuart
